Recruiters, Municipalities and Private Design/Construction Firms

Dear Recruiter/Hiring Manager:

Thanks for taking the time to review my resume. My diverse expertise in **Municipal, Land Development, and Environmental Engineering** focused on *Feasibility Studies, Design, Construction, Operations and Maintenance* provides your company with the diversity you need to grow and expand in both the municipal and private sector.

My extensive design and construction experience coupled with my operational experience provides me with the unique ability to design and construct systems to work in the real world meeting and exceeding your client's expectations leading to repeat work from the same client.

If you would like to call me @ (210)-364-7852, or schedule an interview in person, I would be glad to meet with you and discuss the talents I bring to your firm. Feel free to visit my website at <http://www.trumpetcall.org/resume/> and review my project details with construction photos.

Sincerely,

Daniel Christodoss
